YOUR FAMILY HOT WATER GUIDE

HEATER STORAGE CAPACITY	NUMBER OF PEOPLE			
	QLD	NSW	VIC ACT TAS	SA WA
120	6	5	4	5
145	7	6	5	6
185	9	8	6	9

TEN YEAR CYLINDER WARRANTY

Super 10 Freeloader gets you into more hot water than ever.

More steaming hot showers. More deep, foaming baths and invigorating hot spas. And much, much less money down the drain.

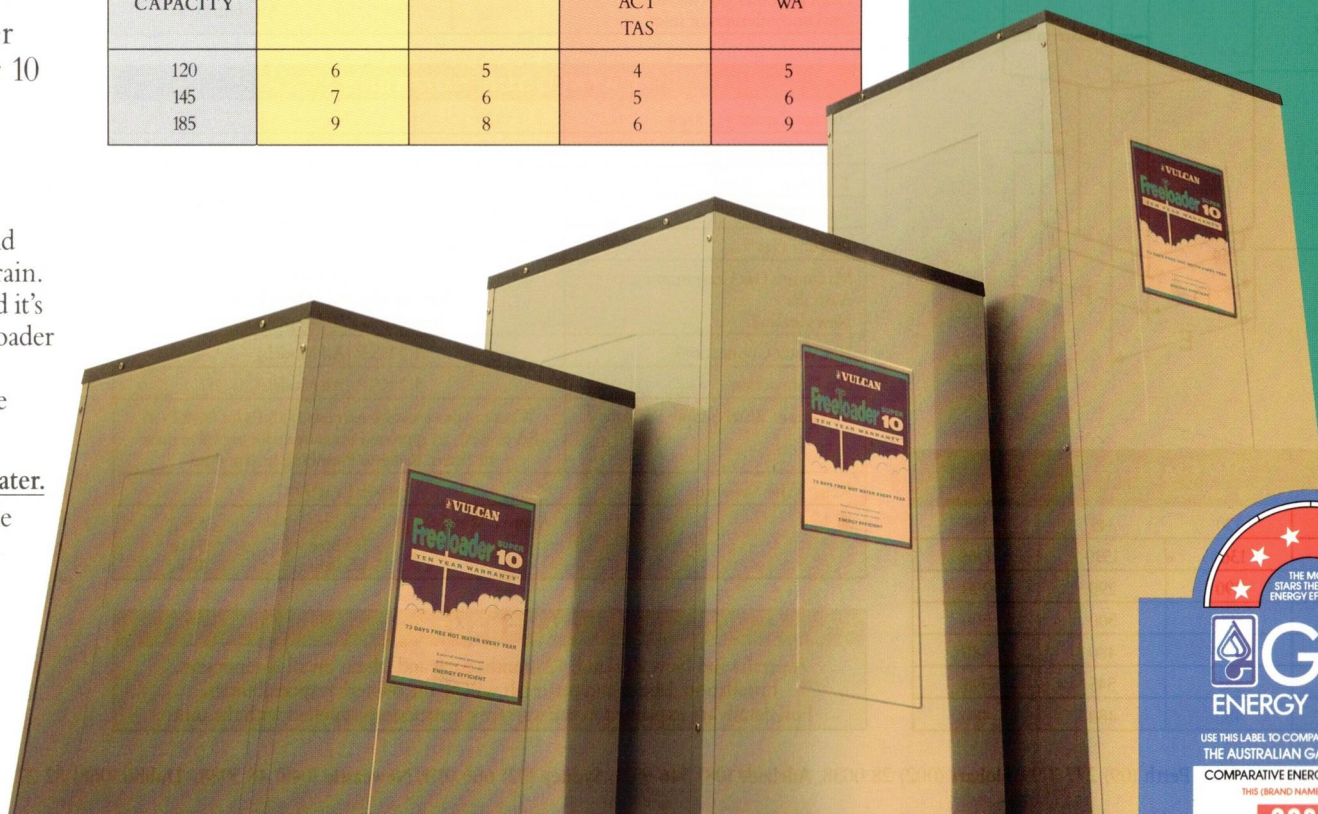

That's the kind of hot water everyone should get into. And it's exactly what you get from Australia's top-selling Super 10 Freeloader Gas Water Heater.

More hot water — for much less. That's at least 73 days free steaming hot water — every year!

Bigger storage capacity means no worries about constant hot water.

Other water heaters have a central flue through the middle of the tank. Super 10 Freeloader doesn't. So you get more room for hot water than conventional units.
